About Finance Support

The Finance Support Schemes launched by Tamkeen in partnership with prominent banks in Bahrain provide enterprises and individuals with cost-effective financing solutions to grow and develop their businesses.

This includes financing solutions that make it easier for businesses to achieve sustainability, diversify, expand their customer bases, and build a solid foundation for future development.

Finance scheme

Achieve business growth through subsidized financing

About this scheme

Tamkeen, in collaboration with an array of banks in Bahrain, offers this scheme to facilitate access to Sharia compliant financing at a competitive profit rate, wherein Tamkeen will subsidize 50% of the Annual Nominal Profit Rate capped at 8% reducing balance. The finance amount ranges from BD 5,000 to BD 500,000 with an option of a long repayment tenor of up to 10 years and grace periods that are subject to the bank's policy.

Who can apply

- Enterprises that can show successful and profitable records during the last year of activity, or have opportunities for growth, development and sustainability
- Enterprise must be registered in Bahrain

What you need

- Finance Scheme application form obtained from the bank
- Terms & conditions form obtained from the bank
- Latest bank statements
- Latest electricity bills
- Copy of the enterprise Commercial Registration (CR) or/and license required and the constitutive documents (copy of Partnership Agreement Memorandum and Article of Association and any constitutive documents)
- Smart Card of enterprise owner
- Audited or in-house Financial Report subject to the bank's policy

Note: Additional documents might be required subject to the terms and policies of the bank. Start-up enterprises may be exempted from some of the requirements above.
